Other Closures: Rising Star Learning Academy will close for one (1) week in the Summer during the week of Memorial Day. Parents will be charged for this week along with the yearly registration fee of \$85.00. This will be due at this time to hold your child's spot at Rising Star Learning Academy.

Parents will need to make other daycare arrangements during this time. This closure allows our teachers and staff to come together to discuss and implement a plan for the upcoming school year and to do a good "Spring" cleaning.

VERY IMPORTANT: Please understand that Parents are responsible to find back-up care during the days listed. PLEASE have these accommodations in place as soon as possible.

VERY, VERY IMPORTANT: Rising Star Learning Academy gets tuition for your child(ren) Monday-Friday regardless if the child(ren) are present at the academy. If your child(ren) will be absent a week at a time then tuition will be due the Friday before the week the child will be absent. We appreciate your understanding of this policy. Thank you for the opportunity to teach your child(ren).
